Your rights as a subject of data

In accordance with the Minnesota Government Data Practices Act, the City of Minneapolis must inform you of your rights as a subject of data.

The data that you provide will be used to notify you of key election dates and events. You are not legally required to supply any of the data that we ask for. However, if you do not provide the data, the City of Minneapolis will not be able to provide you with notification.

The data that we collect about you is classified by Minnesota State Law as either Public or Private.

The following data that you provide to the City is classified as private:

Your Email Address

Your Phone Number

This information may be used by City staff for the purposes of notifying you regarding key election dates and events. Any other use of this information by City staff may only be done with the expressed written consent of the subject of the data.
