ROADWAY CONSTRUCTION COMING SOON

Design and engineering for the 4th Street Reconstruction Project is underway and construction is anticipated to begin in 2018. The project will include reconstruction of 4th Street, between 2nd Avenue North and 4th Avenue South, in order to:

- › Improve the condition of the **infrastructure** for pedestrians, bicycles, transit, and automobiles
- › Improve **pedestrian** safety and walkability through improved crosswalks, increased pedestrian space, and enhanced landscaping
- › Maintain a **bikeway** on 4th Street (specific configuration to be determined)
- › Provide for **transit** service

A map of the project area is provided on the back of this page.
