Comments:

I OBJECT to extended hours of operation. This area really is a residential neighborhood. On-street parking is at a big premium for any homeowner or rental tenants. It is almost impossible for an invited guest to find a parking spot near by as it is now.

I'm also afraid of longer hours allowing for loud neighborhood problems with Blaisdel guests wandering around trying to remember where they parked their car or ringing door bells in the middle of the night asking to use our bathroom. Aren't their enough bars and late night spots in the Eat Street area to take care of those who wish to stay up late?

Support the Extended Hours License for The Blaisdell Rental Hall. They are a very good and respectful neighbor and business. Concerned about noise and requesting staff to manage exiting of the hall. Do not want idling of cars.
